2. Forgive us for our dead works, and the things we haven't done, Lord, take the scales off our eyes
Let us know You and what You would have us do, Deliver us from all of satan's lies.
Father forgive us, for we know not what we do, For our arrogance, our failure and our fear.
Come and rend our hearts and then restore the missing parts, With true Mercy, Compassion & Holy Fear.

3. It's only by true mercy that we ever find Your Grace, Lord let us hunger for You, We want to love you more than Life of earthly Fame, Lord make us hungry for You
